Ltd.**, E-3 Ansa Industrial Estate, Saki Vihar Road Sakinaka, Mumbai 400072, Maharashtra.
7. In compliance with the MCA Circulars and the Securities and Exchange Board of India ("SEBI") Circular dated January 5, 2023, Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email address is registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories. Members may note

that the Notice and Annual Report 2023-24 will also be available on the Company's website [www.arcoleasing.com](http://www.arcoleasing.com) and website of the Stock Exchange, i.e., BSE Limited at [www.bseindia.com](http://www.bseindia.com) and on the website of Bigshare Services Private Limited. Company's web-link on the above will also be provided in advertisement being published in newspaper having wide circulation in India (English Language) and local newspaper (Marathi Language).

8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Bigshare Services Private Limited for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by Bigshare Services Private Limited.
9. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.arcoleasing.com](http://www.arcoleasing.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of Bigshare Services Private Limited ("Bigshare") (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://ivote.bigshareonline.com>.
10. **Members who have not registered their e-mail addresses so far, are requested to register their email address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.**

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- i. The voting period begins on Saturday, September 7, 2024 at 9.00 a.m. (IST) and ends on Monday, September 9, 2024 till 5.00 p.m. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 3, 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Explanatory statement pursuant to provisions 102 of the Companies Act, 2013:**

**ITEM No. 3: APPOINTMENT OF INDEPENDENT DIRECTOR**

In a dynamic global business environment, the Company is evaluating growth opportunities to create a greater value for the stakeholders. Accordingly, as part of Company's basic intent to have adequate mix of individuals having diverse expertise, on the Board of Directors commensurate with the size and operations of the Company, Mrs. Arpita Aditya Joshi (DIN : 10725685) has been appointed as an Additional Woman Independent Director by the Board of Directors based on the recommendation of Nomination and Remuneration Committee, for a term commencing from August 5, 2024 till August 4, 2029.

In the opinion of the Board, Mrs. Arpita Aditya Joshi fulfils the conditions specified in the Act and the rules made thereunder for appointment as an Independent Director and that she is an independent of the management. Consent to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014; intimation in Form DIR-8 in terms of the Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that she is not disqualified under Section 164(2) of the Act and; a declaration that she meets the criteria of independence as provided under Section 149(6) of the Act and Rules framed thereunder and Regulation 16(1)(b) of the Listing Regulations has been received from Mrs. Joshi.

Further, Mrs. Joshi has confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties as an Independent Director of the Company. Mrs. Joshi has confirmed that she is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to her registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs. Further Mrs. Joshi has confirmed that, she had not been a partner of a firm that had transactions during last three financial years with Arco Leasing Limited ("the Company") amounting to ten percent or more of its gross turnover.

In terms of Section 161(1) of the Act, Mrs. Arpita Aditya Joshi (DIN : 10725685) has been appointed as an Additional Woman Independent Director. Further, pursuant to Regulation 17(1C) of Listing Regulations, the appointment of a Director on the Board of Directors shall be approved by the shareholders at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier. Therefore, this resolution is being proposed to be passed at this annual general meeting of the Company.

Accordingly, the approval of shareholders is being sought for appointment of Mrs. Joshi as an Independent Director, for a term commencing from August 5, 2024 to August 4, 2029, and during her tenure, she shall not be liable to retire by rotation.

Since, in terms of Regulation 25(2A) of the Listing Regulations, appointment of Mrs. Joshi requires approval of Members of the Company by way of a Special resolution. The Board of Directors recommend the resolution as set out in item no. 3 for approval of the shareholders as Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives, other than Mrs. Joshi and her relatives, are in any way concerned or interested in the resolution as set out at Item no. 3 of this Notice.

The letter of appointment of Mrs. Joshi setting out the terms and conditions of

appointment is being made available for inspection of the shareholders.

**SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024**

To,  
The Members,  
**Arco Leasing Limited (CIN L65910MH1984PLC031957)**  
**Plot No. 123, Street No. 17,**  
**MIDC, Marol, Andheri (E),**  
**Mumbai – 400 093**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Arco Leasing Limited** (hereinafter referred to as “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our Opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws Framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **[Not Applicable as there was no transaction happened during the period under review]**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **[Not applicable as the Company has not offered any Employee Stock Purchase Scheme during the period under review]**
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **[Not applicable as the Company has not issued any debt securities during the period under review]**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993; **[There were no events occurred during the period which attracts provisions of these regulations, hence not applicable];**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **[Not applicable as there was no reportable event during the period under review]**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **[Not applicable as there was no reportable event during the period under review]**

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the following –

1. The Company has filed certain Forms and Returns beyond the time limit specified under the Companies Act, 2013 read with Rules made thereunder.

the position of Company Secretary and Compliance Officer of the Company. It is observed that since April 1, 2023 to May 24, 2023, the position of Company Secretary was vacant.

4. The Company has allotted 2,50,000 cumulative redeemable preference shares of Rs.100/- each, on private placement basis to Essar Steel Metal Trading Limited on October 19, 2023. Form PAS-3 for allotment of said preference shares was filed on May 27, 2024. The said shares are still not appearing in the demat account of Essar Steel Metal Trading Limited.

As per the confirmation received from Company the same is in the process.

### **I further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were changes in the composition of the Board of Directors during the period under review in accordance with the applicable provisions of Companies Act, 2013 and other applicable legislation(s).

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** during the audit period, the Company does not have any events having a major bearing on its affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

**Management Discussion and Analysis Report**

The global economy and capital markets experienced a resilience and challenges of slowing growth and an increasingly divergent economic environment in financial year 2023-24. A notable recovery in the US economy, coupled with the robustness of major emerging markets, had a part to play in this bounceback.

The faster-than-anticipated decline in inflation – to 6.8% over the year - contributed to an optimistic economic outlook. This decrease was facilitated by the easing of supply-side constraints, strict monetary policies, stable crude oil prices and moderating commodity prices. Global inflation is forecast to decline steadily, from 6.8% in CY 2023 to 5.9% in CY 2024 and 4.5% in CY 2025.

Against a challenging global backdrop, India distinguishes itself as one of the fastest growing major economies - driven by robust domestic consumption, favourable demographics, and increasing disposable incomes. The government's strategic reforms, hefty investments in infrastructure - both physical and digital - and initiatives such as 'Make in India' and the Production-Linked Incentive (PLI) scheme have been pivotal in enhancing the country's growth, resilience, and self-reliance.

The Indian economy has grown faster than anticipated, at a rate of 8.2%, in FY 2023-24. This growth was marked by a broad-based recovery of industrial sectors, especially manufacturing. The financial services sector in India has also acted as a catalyst for economic momentum. As a vital enabler of capital flow and investment, this sector has witnessed innovation and growth, particularly in fintech, digital banking, and inclusive finance.

With the RBI's supportive regulatory framework and initiatives aimed at promoting financial inclusion and literacy, the financial services sector showed sustained growth. Although retail inflation came down to 4.85% by the end of FY 2023-24 and remained within the RBI's tolerance band of +/-2 percentage points, it remained above the long-term target of 4%. This facilitated a stable interest rate environment conducive to long term investments and spending.

The government's approach included focusing on onshoring and friend-shoring production, leveraging AI to maintain competitiveness in digital services, and surpassing non-fossil fuel power generation target.

Your Company continues to mainly undertake business activities of providing leasing advisory or counselling services to other entities and form the leasing arm of such entities.

The Total Income for the financial year under review was Rs.1.28 lakhs as against Rs. 20.13 lakhs for the previous financial year. The total Income of the Company was drastically reduced mainly because of no revenue generation during the financial year which led to loss of Rs.12.33 Lakhs to the Company for the financial year.

There were no material changes and commitments affecting the financial position of the Company, between the end of the financial year and the date of this Report.

### **Industry**

According to ICRA, the size of the NBFC industry is estimated to be around ₹46 Trillion of which, the Retail NBFC sector (including HFC) contributes 55% - which is around ₹25.3 Trillion as of FY 2023-24. The industry is driven by digital innovation and a focus on underserved markets and has become a linchpin in the financial ecosystem - complementing the traditional banking system by channeling essential funds into diverse sectors.

The NBFC industry grew at 14-16%, while the Retail NBFC sector including HFC sector grew at 18-20% in FY 2023-24. Particularly noteworthy was the pronounced increase in credit appetite from the Micro, Small, and Medium Enterprises (MSME) sector. According to the MSME Pulse Report (February 2024), economic expansion has catalysed a surge in the need for commercial financing.

Further shaping the landscape in 2023 was a regulatory adjustment concerning the exposures of Scheduled Commercial Banks (SCBs) to NBFCs. The RBI announced an increase in risk weights on SCB exposures to NBFCs by 25 percentage points, over and above the risk weight associated with the given external rating, in all cases where the extant risk weight as per external rating of NBFCs is below 100%. The industry dynamics, marked by innovative financing and regulatory enhancements, position NBFCs as a key catalyst for India's economic growth and financial inclusion.

### **Risk Management & Internal Control System**

We have an adequate system of internal controls in place commensurate with the nature of our business and size of our operations.

This framework encompasses a wide range of risk categories, including but not limited to credit risk operational risk, market risk, liquidity risk, compliance risk, reputational risk, financial risk, and people risk.

Our approach is to identify measure, mitigate and report of risks, supported by continuous monitoring of Key Risk Indicators (KRIs) to ensure the Organisational goals and objectives.

### **Outlook**

Your Company is taking continuous efforts to generate the growth drivers, considering the strategic priorities and keeping a track on information technology developments and compliances thereon.

### **Cautionary Statement**

Statements in the Management Discussion and Analysis, describing our Company's objectives, outlook, opportunities, and expectations may constitute "Forward Looking

Statements” within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied expectations or projections, among others. Several factors make a significant difference to our Company’s operations including the government regulations, taxation and economic scenario affecting demand and supply, natural calamity and other such factors over which our Company does not have any direct control.

**Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**To**  
**The Board of Directors of**  
**Arco Leasing Limited**

**Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results of Arco Leasing Limited (the "Company") for the quarter and year ended March 31, 2023 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit, other comprehensive income and other financial information of the Company for the quarter and year ended March 31, 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

**Management's Responsibilities for the Standalone Financial Results**

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

---

Offices At:    Kolkata    -    Mumbai    -    Noida    -    Delhi

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matters**

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

**Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**To**  
**The Board of Directors of**  
**Arco Leasing Limited**

**Opinion**

We have audited the accompanying statement of quarterly and year to date consolidated financial results of Arco Leasing Limited ("Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, for the quarter ended and year ended March 31, 2024 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate audited financial statements of the subsidiaries, the Statement:

- i. includes the results of the following entities;
  - Arco Leasing Limited
  - Subsidiaries
- a. Ansu Trade and Fiscals Private Limited
- ii. are presented in accordance with the requirements of the Listing Regulations in this regard; and
- iii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net profit, other comprehensive income and other financial information of the Group for the quarter ended and for the year ended March 31, 2024.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group and its associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe

Offices At:    Kolkata    -    Mumbai    -    Noida    -    Delhi

that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

#### **Management's Responsibilities for the Consolidated Financial Results**

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit (loss) and other comprehensive income and other financial information of the Group including its associates in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the respective entities.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group and its associates of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

## 1 CORPORATE INFORMATION

Arco Leasing Limited ("the Company") is a listed public limited company incorporated on February 1, 1984.

## 2 SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provision of the Act.

### 2.2 Significant accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Company prepared its financial statements based on assumptions and estimates on parameters available at that time. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### Fair value measurement of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

### 2.3 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charges is calculated on the basis of the tax laws enacted at the end of the reporting period in India. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

### 2.4 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, and it is probable that an outflow of resources, that can reliably be estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are not recognised but disclosed where the existence of an obligation will only be confirmed by future events or where the amount of the obligation cannot be measured reliably. Contingent assets are not recognised, but are disclosed where an inflow of economic benefits is probable.

### 2.5 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### (i) Financial assets

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit and loss.

Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and the cash flow characteristics of the assets. There are three measurement categories into which the Company classifies its debt instruments;

## ARCO LEASING LIMITED

Notes forming part of the financial statements for the year ended March 31, 2024

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest (SPPi) are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payment of principal and interest (SPPi), are measured at fair value through other comprehensive income. Fair value movements are recognised in the other comprehensive income, except for the recognition of impairment gains or losses, interest income and foreign exchange gain and losses which are recognised in profit and loss. When the financial assets is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit and loss (FVPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Debt instruments included within the FVPL category are measured at fair value with all changes recognized in the statement in profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVPL. For all other equity instruments, the Company may classify the same either as at FVOCI or FVPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Equity instruments which are classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to profit and loss, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the profit or loss.

### Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company applies the 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Losses" (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit or loss. This amount is reflected in a separate line in the profit or loss as an impairment gain or loss.

### (ii) Financial liabilities

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and trade and payables, net of directly attributable transaction costs. The measurement of financial liabilities depends on their classification, as described below:

#### Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. For liabilities designated as FVPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

#### Financial liabilities at amortized cost

Financial liabilities classified and measured at amortised such as loans and borrowings, trade and other payable are initially recognized at fair value, net of transaction cost incurred. After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective interest rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

## ARCO LEASING LIMITED

Notes forming part of the financial statements for the year ended March 31, 2024

### De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### 2.6 Property, Plant and Equipment

Tangible assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost include acquisition cost which is directly attributable to bring the assets to its working condition.

The company has not charged any depreciation for the current year the balance in the fixed asset represent the scrap value of the asset at the time of sale as per the provisions contained in companies act, 2013.

### 2.7 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits with banks with original maturity of less than three months and short-term highly liquid investments, that are readily convertible into cash and which are subject to insignificant risk of changes in the principal amount. Bank overdrafts, which are repayable on demand and form an integral part of the operations are included in cash and cash equivalents.

### 2.8 Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on a reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

### 2.9 Earnings per share

Basic earnings per share are computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share are the profit / (loss) for the year after deducting preference dividends and attributable taxes attributable to equity shareholders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit / (loss) for the year are adjusted for the effects of changes in income, expenses, tax and dividends that would have occurred had the dilutive potential equity shares been converted into equity shares. Such adjustments after taking account of tax include preference dividends or other items related to convertible preference shares, interest on convertible debt and any other changes in income or expense that would result from the conversion of dilutive potential ordinary shares. The weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

## 19 Financial Instruments :

## 1 Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The capital structure of the Company consists of net debt and total equity of the Company.

The Company is not subject to any externally imposed capital requirements. The Company's board of directors reviews the capital structure on an annual basis. The financials up for the company are long term in nature as it is in infrastructure business. Therefore all new capital requirements are duly discussed by the board of directors. The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes borrowings less cash and cash equivalents and other bank balances.

## 3 Financial risk management objectives

The Company's Corporate finance department monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

## 4 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

## Trade receivables

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of trade receivable and where appropriate, credit guarantee insurance cover is purchased. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue trade receivables.

## Cash and bank balances

The credit risk on liquid funds and other bank deposits is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

**5 Liquidity risk management**

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining reserves and banking facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods and its financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

## 1 SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provision of the Act. A summary of the important accounting policies which have been applied consistently is set out below:

#### (i). Basis of Accounting / Consolidation:

- a) The financial statements of the Company are prepared under the historical cost convention on an accrual basis of accounting in accordance with the generally accepted accounting principles, and applicable Accounting Standards on consistent basis.
- b) The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries on line by line basis by adding together like items of assets, liabilities, Income and expenses by using uniform accounting policies. The difference between the cost of investment and the Company's portion of equity in subsidiaries, at the date of investment, is treated as goodwill or capital reserve as a case may be. The interest of minority shareholders is stated at the minority's proportion of the assets and liabilities recognised.
- c) All significant transactions and balances between the company and subsidiaries are eliminated on consolidation.

### 2.2 Significant accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Company prepared its financial statements based on assumptions and estimates on parameters available at that time. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### Fair value measurement of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

### 2.3 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charges is calculated on the basis of the tax laws enacted at the end of the reporting period in India. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

### 2.4 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, and it is probable that an outflow of resources that can reliably be estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are not recognised but disclosed where the existence of an obligation will only be confirmed by future events or where the amount of the obligation cannot be measured reliably. Contingent assets are not recognised, but are disclosed where an inflow of economic benefits is probable.

**2.5 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**(i) Financial assets**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit and loss.

Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and the cash flow characteristics of the assets. There are three measurement categories into which the Company classifies its debt instruments:

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest (SPPI) are measured at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payment of principal and interest (SPPI), are measured at fair value through other comprehensive income. Fair value movements are recognised in the other comprehensive income, except for the recognition of impairment gains or losses, interest income and foreign exchange gain and losses which are recognised in profit and loss. When the financial assets is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit and loss (FVPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Debt instruments included within the FVPL category are measured at fair value with all changes recognized in the statement in profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVPL. For all other equity instruments, the Company may classify the same either as at FVOCI or FVPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Equity instruments which are classified as FVOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to profit and loss, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the profit or loss.

**Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company applies the 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognise impairment loss allowance based on lifetime Expected Credit Losses" (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit or loss. This amount is reflected in a separate line in the profit or loss as an impairment gain or loss.

**(ii) Financial liabilities**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and trade and payables, net of directly attributable transaction costs. The measurement of financial liabilities depends on their classification, as described below:

**Financial liabilities at fair value through profit or loss:**

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss. For liabilities designated as FVPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

**Financial liabilities at amortized cost**

Financial liabilities classified and measured at amortised such as loans and borrowings, trade and other payable are initially recognized at fair value, net of transaction cost incurred. After initial recognition, financial liabilities are subsequently measured at amortised cost using the Effective interest rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**De-recognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

The company has not charged any depreciation for the current year the balance in the fixed asset represent the scrap value of the asset at the time of sale as per the provisions contained in companies act, 2013.

**2.7 Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits with banks with original maturity of less than three months and short-term highly liquid investments, that are readily convertible into cash and which are subject to insignificant risk of changes in the principal amount. Bank overdrafts, which are repayable on demand and form an integral part of the operations are included in cash and cash equivalents.

**2.9 Earnings per share**

Basic earnings per share are computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share are the profit / (loss) for the year after deducting preference dividends and attributable taxes attributable to equity shareholders. The weighted average number of equity shares outstanding during the year and for all years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit / (loss) for the year are adjusted for the effects of changes in income, expenses, tax and dividends that would have occurred had the dilutive potential equity shares been converted into equity shares. Such adjustments after taking account of tax include preference dividends or other items related to convertible preference shares, interest on convertible debt and any other changes in income or expense that would result from the conversion of dilutive potential ordinary shares. The weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

**Fair value hierarchy**

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;  
 Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and  
 Level 3 inputs are unobservable inputs for the asset or liability.

The following table presents the fair value measurement hierarchy of financial assets and liabilities measured at fair value on recurring basis.

**3 Financial risk management objectives**

The Company's Corporate finance department monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

**4 Credit risk management**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

**Trade receivables**

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of trade receivable and, where appropriate, credit guarantee insurance cover is purchased. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue trade receivables.

**Cash and bank balances**

The credit risk on liquid funds and other bank deposits is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

**5 Liquidity risk management**

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining reserves and banking facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods and its financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.
